Dear Prospective Client

Thank you for the opportunity to provide the following BUDGET pricing for an upscale casual restaurant and bar concept for your location. If this were an actual proposal, copies of specifications sheets would be furnished with the prices. Furniture is not included in this proposal but would be an additional \$125 to \$150 per seat to include table and seat. Many items are marked as optional or alternate, and your total must be calculated after selection of these items. We can revise this proposal or custom tailor a proposal to your needs after you have determined that the project is within your range, and you have located a suitable site for which you are negotiating or have signed a lease or purchase agreement. We will also design and layout your electrical and plumbing needs under a separate agreement once your site has been confirmed. PLEASE NOTE THE PRICES LISTED ARE BUDGET PRICES ONLY FOR GENERAL PLANNING PURPOSES AND ARE NOT INTENDED TO BE FIRM PRICES. ALSO SPECIFIC ITEMS THAT ARE NEEDED WILL VARY BY LOCATION AND BY PURCHASER. ALSO PLEASE BE AWARE THAT THERE ARE MANY OTHER EXPENSES INVOLVED IN OPENING A RESTAURANT SUCH AS ARCHITECTURAL FEES, PERMIT FEES, GENERAL CONTRACTING COSTS, PAYROLL ETC., NONE OF WHICH ARE INCLUDED IN THIS BUDGET LISTING OF EQUIPMENT. ALSO, PLEASE NOTE THAT FOR THIS UPSCALE CASUAL LISTING OF EQUIPMENT THAT THE EQUIPMENT PACKAGE COULD VARY SIGNIFICANTLY DEPENDING ON MANY FACTORS SUCH AS MENU, CONCEPT, SIZE AND SHAPE OF RESTAURANT.
